This MSR is a good example of financial documentation. [] had 41 hours, but divided them according to task, which made the invoice easy to review and approve

Nice work [Nonresponsive based on revised scope]

Karen – reviewed and approved

Thank you
Chris

Hello-

***Sending Monthly Status Report on behalf of Program Manager [Nonresponsive based on revised scope]

As required by contract, I am forwarding an electronic copy of Tetra Tech's **August 2022** Monthly Status Report for each of your START6 TDs with activity this month. This report includes technical and financial information on the project. If you have any questions regarding the content of these reports, please contact the Tetra Tech project team leader assigned to your project.

I will send these reports each month via e-mail. You are receiving this report because you were identified as the WAM in our authorizing document. If this report should be forwarded to a different WAM or you have any problems opening the enclosed attachments, please do not hesitate to contact me.

Thank you,

Nonresponsive based on revised scope
